to obtain any more : as the dies were destroyed in Paris some ten years ago. So we are creditably informed. At my sale in March, eight were sold at an average of \$1.10 each. These medals sell readily in the south, and ere long will double in price, as parties who have them will not sell them at any price. Two I have for my own private use, could not be bought for \$50, if I could not replace them.
